

3435. Asian Citrus Psyllid

State Interior Quarantine

A. Pest. A quarantine is established against the following pest, its hosts, and possible carriers: Asian Citrus Psyllid (*Diaphorina citri*).

B. Area Under Quarantine.

Imperial, Riverside and San Diego Counties:

Beginning at the intersection of US Interstate 5 and Las Flores Creek; then, starting northeasterly along Las Flores Creek to its intersection with Las Pulgas Creek; then, starting northeasterly along Las Pulgas Creek to its intersection with Las Pulgas Road; then northeasterly along an imaginary line to the intersection of Roblar Truck Trail and De Luz Road; then, northerly along De Luz Road to its intersection with De Luz Murrieta Road; then starting northeasterly along De Luz Murrieta Road to its intersection with Sky Ranch Road; then, starting northwesterly along Sky Ranch Road to its intersection with Vista del Mar; then, starting northeasterly along Vista Del Mar to its intersection with Carancho Road; then, starting southeasterly along Carancho Road to its intersection with De Luz Road; then starting easterly along De Luz Road to its intersection with Guava Street; then, northeasterly along Guava Street to its intersection with Douglas Avenue; then, southeasterly along Douglas Avenue to its intersection with Elm Street; then, northeasterly along Elm Street to its intersection with Washington Avenue; then, southeasterly along Washington Avenue to its intersection with Diaz Road; then southeasterly along Diaz Road to its intersection with Winchester Road; then northeasterly along Winchester Road to its intersection with Nicolas Road; then starting southeasterly along Nicolas Road to its intersection with Santa Gertrudis Creek; then, starting northeasterly along Santa Gertrudis Creek to its intersection with Anza Road and Las Uvas Drive; then, northeasterly along Anza Road to its intersection with Buck Road; then, starting easterly along Buck Road to its intersection with Rancho California Road; then, southwesterly along Rancho California Road to its intersection with Glen Oaks Road; then, starting southeasterly along Glen Oaks Road to its intersection with De Portola Road; then, starting northeasterly along De Portola Road to its intersection with East Benton Road; then, starting northeasterly along East Benton Road to its intersection with San Ignacio Road; then, starting southeasterly along San Ignacio Road to its intersection with Ravenna Lane; then southerly along Ravenna Lane to its intersection with Kenyon Lane; then starting easterly along Kenyon Lane to its intersection with San Ignacio Road; then starting southerly along San Ignacio Road to its intersection with Pocket Canyon Road; then, northeasterly along Pocket Canyon Road to its intersection with County Road R3; then, starting southeasterly along County Road R3 to its intersection with Wilson Valley Road; then starting northeasterly along Wilson Valley Road to its intersection with State Highway 371; then, northeasterly along State Highway 371 to its intersection with Foolish Pleasure Road; then, starting

southeasterly along Foolish Pleasure Road to its intersection with Leff Road; then, easterly along Leff Road to its intersection with Sorensen Road; then, starting southerly along Sorensen Road to its intersection with Mateus Divide; then, starting southerly along Mateus Divide to its intersection with Dove Drive; then, starting southeasterly along Dove Drive to its intersection with Lupin Lane; then, southeasterly along an imaginary line to its intersection with the boundary line of the Cleveland National Forest at 33.362319 latitude and -116.719026 longitude; then, southerly along the boundary line of the Cleveland National Forest to its intersection with an unnamed road at 33.342069 latitude and -116.717088 longitude; then southwesterly along the unnamed road to its intersection with State Highway 79; then, starting southeasterly along State Highway 79 to its intersection with State Highway 78; then, starting northeasterly along State Highway 78 to its intersection with Yaqui Pass Road; then, starting northeasterly along Yaqui Pass Road to its intersection with Borrego Springs Road; then starting westerly along Borrego Springs Road to its intersection with Stagecoach Way; then, westerly along Stagecoach Way to its intersection with Anza Park Trail; then, northerly along Anza Park Trail to its intersection with Cayote Way; then, easterly along Cayote Way to its intersection with De Anza Trail; then, starting northerly along De Anza Trail to its intersection with Horse Camp Road; then, northwesterly along an imaginary line to its intersection with State Highway 371 and State Highway 74; then, northwesterly along State Highway 74 to its intersection with Fobes Ranch Road; then northerly along an imaginary line to its intersection with Tipton Road and US Interstate 10; then, starting easterly along US Interstate 10 to its intersection with State highway 62; then, northerly along State Highway 62 to its intersection with Dillon Road; then, starting easterly along Dillon Road to its intersection with US Interstate 10; then, starting easterly along US Interstate 10 to its intersection with 33.672844 latitude and -115.930156 longitude; then, northeasterly along an imaginary line to its intersection with the boundary line of Joshua Tree National Park at 33.729711 latitude and -115.889275 longitude; then, starting easterly along said boundary line to its intersection with 33.714508 latitude and -115.658006 longitude; then, easterly along an imaginary line to its intersection with Powerline Road and Hayfield Road; then, starting southerly along Hayfield Road to its intersection with an unnamed dirt road; then, southerly along said road to its intersection with US Interstate 10; then, starting northeasterly along said interstate to its intersection with -115.205269 longitude and 33.671111 latitude; then, southerly along an imaginary line to its intersection with the boundary line of the State of California at 32.685426 latitude and -115.205269 longitude; then, starting westerly along said boundary line to its intersection with the boundary lines of the City of Oceanside and City of Carlsbad; then, starting northeasterly along the boundary line of the City of Carlsbad to its intersection with US Interstate 5; then, northwesterly along US Interstate 5 to the point of beginning.

Los Angeles County: The entire county.

Orange County: The entire county.

Riverside and San Bernardino Counties:

Beginning at the intersection of State Highway 2 and State Highway 138; then, starting southeasterly along State Highway 138 to its intersection with US Interstate 15; then, starting southeasterly along US Interstate 15 to its intersection with Kenwood Avenue and the boundary of the San Bernardino National Forest; then, starting northerly along the boundary of the San Bernardino National Forest to its intersection with the boundary line of Riverside and San Bernardino counties at 34.034163 latitude and -116.929549 longitude; then, starting southerly along the boundary line of Riverside and San Bernardino counties to its intersection with Rubidoux Boulevard; then, southerly along Rubidoux Boulevard to its intersection with Mission Boulevard; then, southeasterly along Mission Boulevard to its intersection with Buena Vista Avenue; then southwesterly along Buena Vista Avenue to the eastern edge of the Santa Ana River; then, southwesterly along the eastern edge of the Santa Ana River to its intersection with Mount Mclean Anza Narrows Park and Rubidoux Avenue; then, southeasterly along Rubidoux Avenue to its intersection with Grand Avenue; then, southwesterly along Grand Avenue to its intersection with Streeter Avenue; then, southerly along Streeter Avenue to its intersection with California Avenue; then, southwesterly along California Avenue to its intersection with Van Buren Boulevard; then, southeasterly along Van Buren Boulevard to its intersection with State Highway 91; then, southwesterly along State Highway 91 to its intersection with La Sierra Avenue; then, starting southerly along La Sierra Avenue to its intersection with Cajalco Road; then, starting westerly along Cajalco road to its intersection with US Interstate 15; then, northwesterly along US Interstate 15 to its intersection with Foothill Parkway; then, starting westerly along Foothill Parkway to its intersection with Rimpau Avenue; then, southwesterly along Rimpau Avenue to its intersection with Cleveland Way; then southwesterly along Cleveland Way to its intersection with Gilbert Avenue; then, southerly along Gilbert Avenue to its intersection with Joseph Canyon Trail; then, southerly along Joseph Canyon Trail to its southernmost point; then, southwesterly along an imaginary line to its intersection with Main Divide Truck Trail and the boundary line of Riverside County; then, starting northwesterly along the boundary line of Riverside County to its intersection with the boundary line of San Bernardino County; then, starting northwesterly along the boundary line of San Bernardino County to its intersection with State Highway 2; then, starting southeasterly along State Highway 2 to the point of beginning.

C. Articles and Commodities Covered. The following are declared to be hosts and possible carriers of *Diaphorina citri*.

1. All nursery stock, plants, plant parts, including green waste, and plant products capable of propagation, except seed extracted from fruit of:

Aegle marmelos (bael, Bengal quince, golden apple, bela, milva)
Aeglopsis chevalieri (Chevalier's aeglopsis)
Afraegle gabonensis (Gabon powder-flask)
Afraegle paniculata (Nigerian powder-flask)
Atalantia missionis (= *Pamburus missionis*)
Atalantia monophylla (Indian atalantia)
Atalantia spp.
Balsamocitrus dawei (Uganda powder-flask)
Bergia (= *Murraya*) *koenigii* (curry leaf)
Calodendrum capense (Cape chestnut)
X Citrocirus webberi
Citropsis articulata (Katimboro, Muboro, West African cherry orange)
Citropsis gilletiana (cherry-orange)
Citropsis schweinfurthii (African cherry-orange)
Citrus aurantiifolia (lime, Key lime, Persian lime, lima, limón agrio, limón ceutí, lima mejicana, limeró)
Citrus aurantium (sour orange, Seville orange, bigarde, marmalade orange, naranja agria, naranja amarga)
Citrus hystrix (Mauritius papeda, Kaffir lime)
Citrus jambhiri (rough lemon, jambhiri-orange, limón rugoso, rugoso)
Citrus limon (lemon, limón, limonero)
Citrus madurensis (= *X Citrofortunella microcarpa*)
Citrus maxima (pummelo, pomelo, shaddock, pompelmous, toronja)
Citrus medica (citron, cidra, cidro, toronja)
Citrus meyeri (Meyer lemon, dwarf lemon)
Citrus x nobilis (king mandarin, tangor, Florida orange, King-of-Siam)
Citrus x paradisi (grapefruit, pomelo, toronja)
Citrus reticulata (mandarin, tangerine, mandarina)
Citrus sinensis (sweet orange, orange, naranja, naranja dulce)
Citrus spp.
Clausena anisum-olens (anis)
Clausena excavata (clausena)
Clausena indica (clausena)
Clausena lansium (wampi, wampee)
Clymenia polyandra (a-mulis)
Eremocitrus glauca (Australian desert lime)
Eremocitrus hybrid
Fortunella crassifolia (Meiwa kumquat)
Fortunella margarita (Nagami kumquat, oval kumquat)
Fortunella polyandra (Malayan kumquat)
Fortunella spp.
Limonia acidissima (Indian wood apple)
Merrillia caloxylon (flowering merrillia)
Microcitrus australasica (finger-lime)
Microcitrus australis (Australian round-lime)
Microcitrus papuana (desert-lime)
X Microcitronella spp.
Murraya spp. (curry leaf, orange-jasmine, Chinese-box, naranjo jazmín)
Naringi crenulata (naringi)
Pamburus missionis (pamburus, = *Atalantia missionis*)
Poncirus trifoliata (trifoliolate orange, naranjo trébol)
Severinia buxifolia (Chinese box-orange)
Swinglea glutinosa (tabog)
Tetradium ruticarpum (evodia, wu zhu yu)
Toddalia asiatica (orange climber)
Triphasia trifolia (trifoliolate limeberry, triphasia)
Vepris (= *Toddalia*) *lanceolata* (white ironwood)
Zanthoxylum fagara (wild lime, lime prickly-ash)

ADDITIONAL QUARANTINE INFORMATION

APPENDIX A

09-01-09

2. Any other articles which are infested or exposed to infestation by *Diaphorina citri*.

3. Possible carriers shall include all appliances used in the growing, harvesting, processing and hauling of the host plants and plant parts and any green waste residues including but not limited to tractors, trailers, trucks, planting, picking and pruning equipment and processing machinery and any other article, thing or means of conveyance when it is determined by the Secretary or county agricultural commissioner to present a hazard of spreading live life stages of the *Diaphorina citri*.

4. Citrus fruit in bulk containers or bins or any citrus fruit with leaves and stems attached.

5. Exemptions. The following articles are exempt from the provisions of this subsection (Also see Appendix A):

- a. Host fruit commercially cleaned, graded, and packed within the regulated area may move within or from the area;
- b. Defoliated dormant bare-rooted nursery stock;
- c. Defoliated dormant nursery stock in containers where all leaf litter and any weeds have been removed.

D. Restrictions.

1. Articles and commodities covered in subsection (C) (1), (2) and (4) are prohibited movement from the area under quarantine **except if** the article or commodity covered is moved under the terms of a special permit as authorized under Title 3, Section 3154 of the California Code of Regulations.

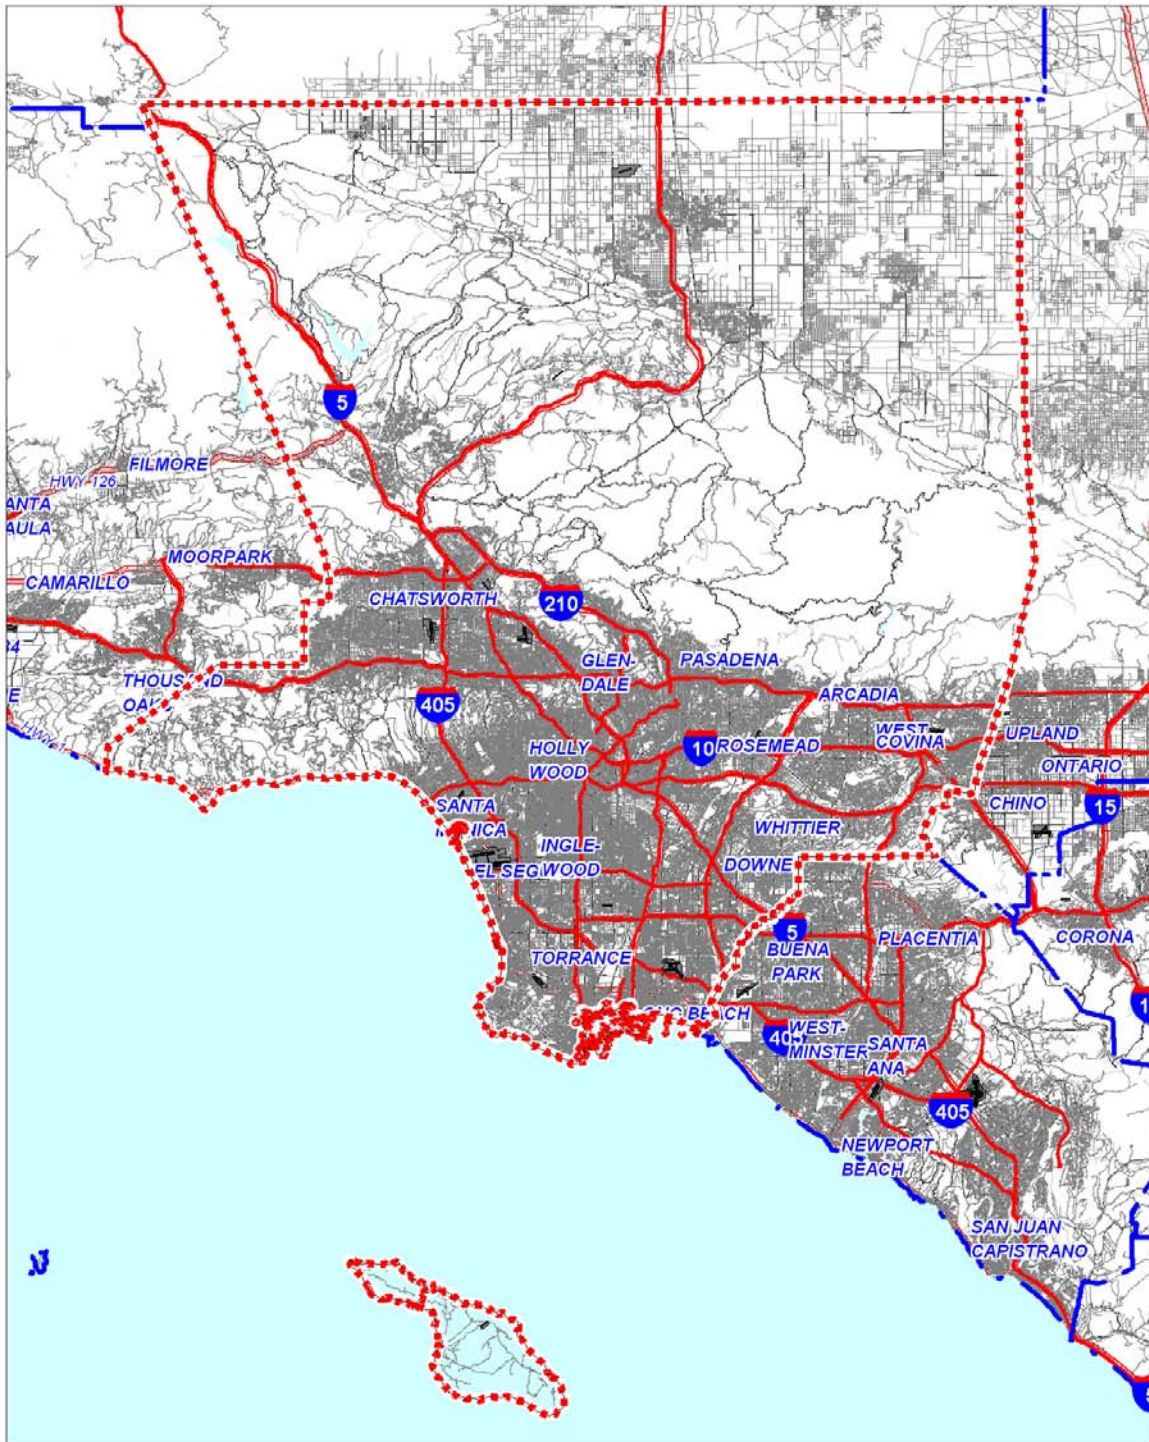

2. Articles and commodities covered in subsection (C)(3) are prohibited movement from the area under quarantine except if cleaned and/or treated in a manner to eliminate all live life stages of *Diaphorina citri* to the satisfaction of the Department or county agricultural commissioner.

3. Articles or commodities originating outside the quarantine area may be moved directly through the area under quarantine without delay and by a direct route in an enclosed vehicle or container or completely enclosed by a covering to prevent exposure to the *Diaphorina citri* while enroute through the area.

4. All nursery stock sold or distributed within the quarantine area shall be treated in a manner approved by the Department and bear a label stating that it may not be moved outside the quarantine area.

It is the intent of this regulation to **prohibit** the movement of articles and commodities covered in subsection (C)(4) (described as citrus fruit in bulk containers or bins or any citrus fruit with leaves and stems attached) **within and from** the ACP quarantine area. Citrus fruit in bulk containers or bins may move **within and from** the ACP quarantine area under the terms of a special permit authorized under Title 3, Section 3154 of the California Code of Regulations.
